In Dedication

With honor, the 1969 Pioneer is dedicated to Mr. R. K. Richards. He served as principal of Negaunee High School for 18 years and previously taught for 21 years.

The students and faculty would like to express their sincere thanks to Mr. Richards for his dedicated work and achievements during his years as principal and teacher at Negaunee High School.

Look around you! What do you see? A school, a town, and a lake. These are typical views of Negaunee, a place of friends, families, dreams and desires. This school year will soon be over and many seniors will scatter across the nation.

Their thoughts, however, will eventually turn home. Home is the first snow fall; home is the clear blue waters of nearby lakes or rivers and home is friends left behind. Home is and will always be Negaunee!

Sylvia

Sylvia Alban-Cascante arrived in Negaunee on August 26, 1968. She came to us under the American Field Service Program from Riobamba, Ecuador for a period of one school year. She enrolled at N.H.S. as a member of the Senior Class and will graduate with the class of 1969 in June.

Her schedule is a full one, and her interests are many. Her courses at school include English, Art, French, American History, and Economics and Government Problems. She is an honorary member of the Tri-Hi-Y Club, and she participates in Girls' Chorus as well as in the activities of the French Club. She loves music and sports of all types. Our American sports are a source of much enjoyment to her.

When Sylvia returns to her native country in July, she will have much to take with her to her friends and family. The experiences she has had here, in the United States, will be of great value to her as she enters the university in Quito, the capital of Ecuador, next year.

Sylvia has also brought many things to us here, at N.H.S. Her warm personality, her friendliness, and her willingness to come so far from home to teach us the ways of her country will always be a valuable experience for her many friends and classmates in Negaunee.

Considering the season's won and lost record, we were not as successful as we had hoped to be. However, because the boys displayed a great desire, a fine attitude and because they were a coachable group, the coaching staff enjoyed working with this team very much.

We hope the fine leadership, the desire to play, and the will to win that the seniors exhibited will be maintained by next year's seniors. Without this we could not hope to improve.

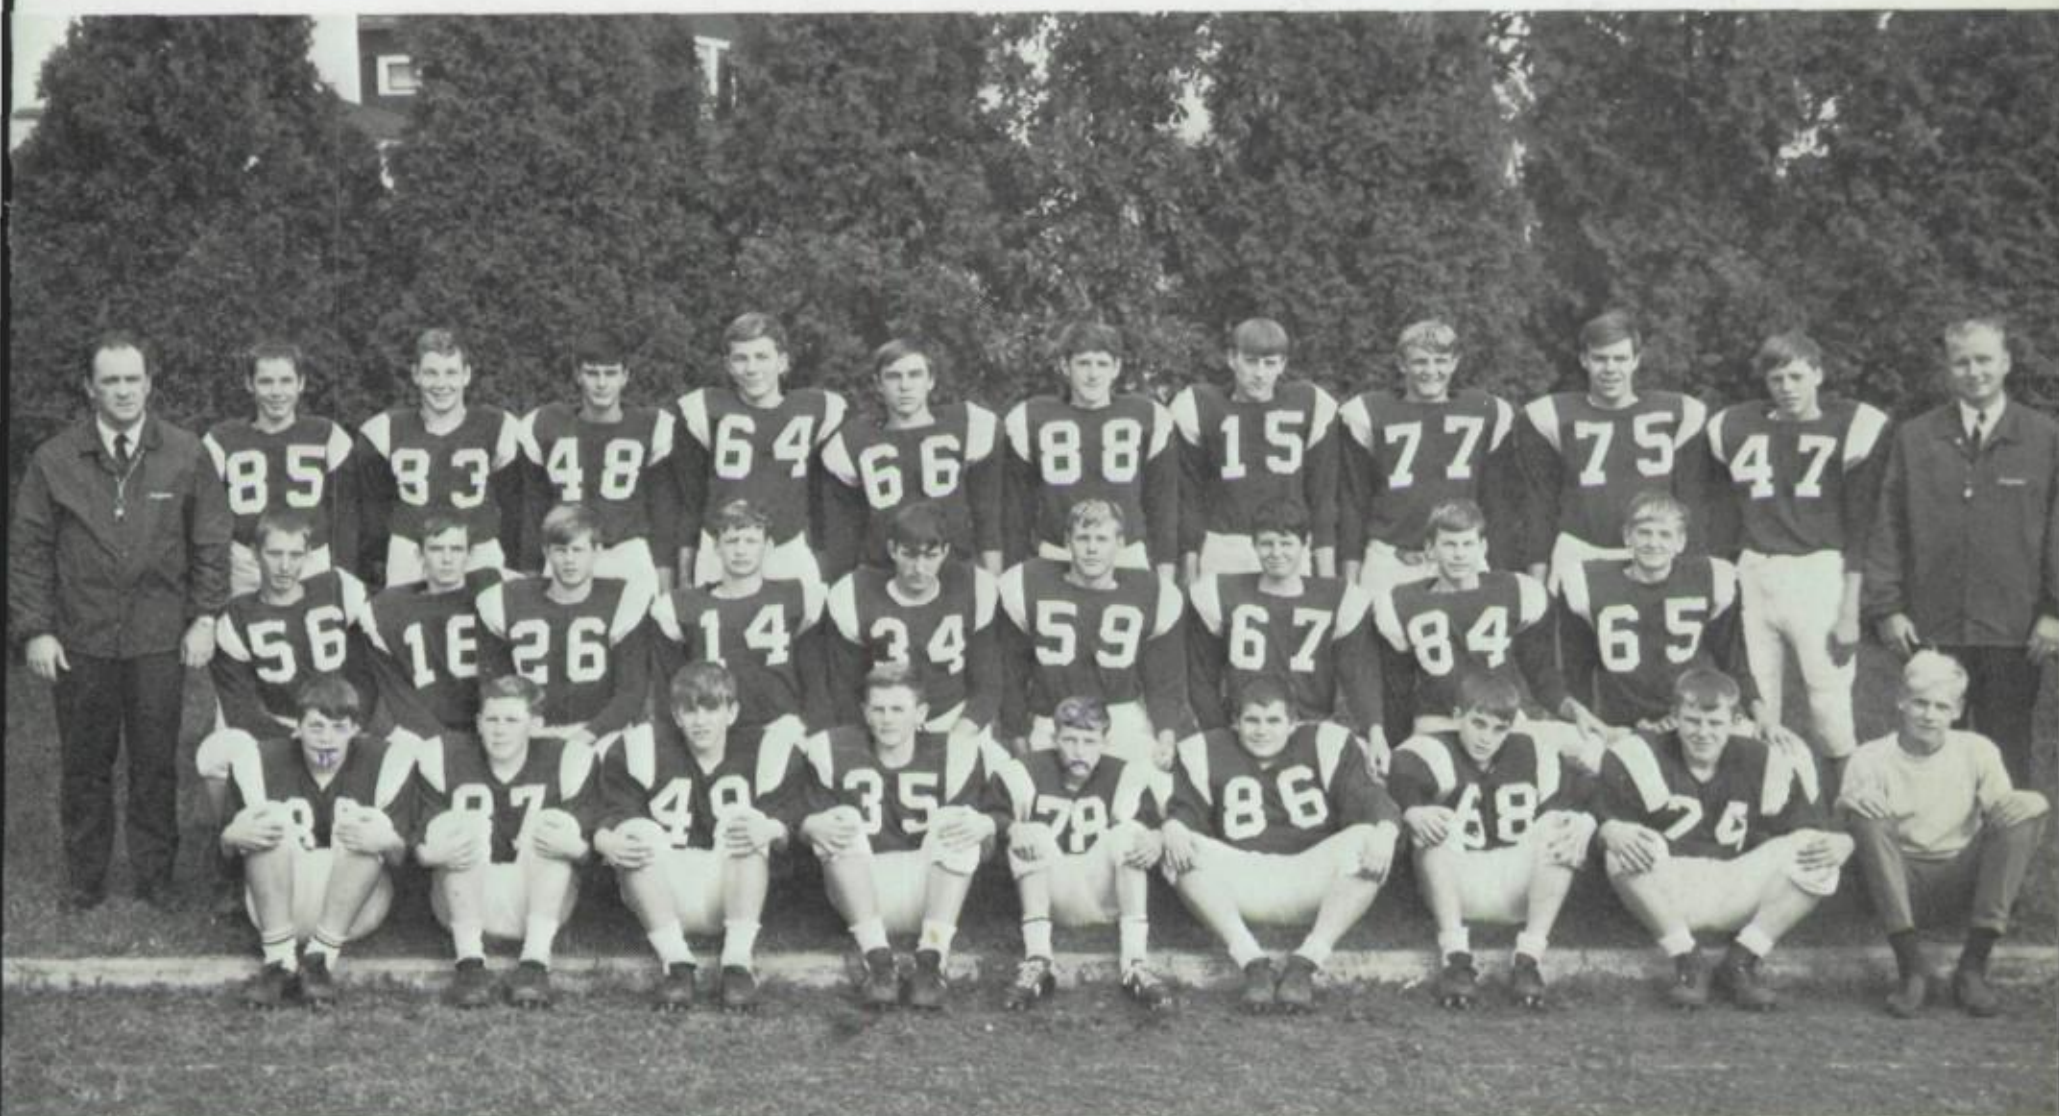

We wish the best to a fine group of seniors.

Tennis '68

1968 Tennis Summary

Negaunee almost made it to the 500 mark in tennis for 1968, but rain washed out a scheduled match with Ishpeming and thus the Miners had to settle for a two won, three loss three tied mark. The Miners scored victories over Ishpeming and Marquette Baraga, both by 5--1 scores, and suffered losses at hands of Marquette twice, by 5--1 and 6--0 counts and Stambaugh once, 6--0. Negaunee also tied Gwinn twice, both by 3--3 scores, and Marquette Baraga once by 5--5. The Maize and Blue wound up tied for seventh and eighth in the U.P. tennis meet out of 14 schools.

Dennis Partanen, a junior was the top individual performer for Negaunee as he won eight singles matches and lost four while adding two doubles victories for a personal 10--4 record. Another junior, Bruce Hoiem, posted a 4--4 mark in singles and as Partanen's partner in doubles won both matches for a 6--4 performance. However, they were the only Negaunee players to finish above 500.

Major letter winners, in addition to Hoiem and Partanen, were Pete Ogea, a senior, juniors Norm Goethe, Dexter Stille, Loren Merrick, Al Keto and Rodney

Parkkonen, and sophomore, Gary Pyykkonen. However, Pyykkonen moved back to Hancock following the 1967-68 school year and thus Negaunee not only lost a fine tennis player but a promising football performer.

The biggest disappointment of the year was the failure of any freshmen to report for tennis for the second straight year.

Results of the U.P. tennis meet at Marquette;

Stambaugh	14 1/2
Escanaba Holy Name	11 1/2

In 1967 Negaunee athletics had an eventful year. Golf was introduced to the sports curriculum. They traveled to Marquette, Ishpeming and K.I. Sawyer Air Force Base. The team won two and lost five and was fourth in the Great Lakes Conference, which was fine considering it was the first year.

Miners

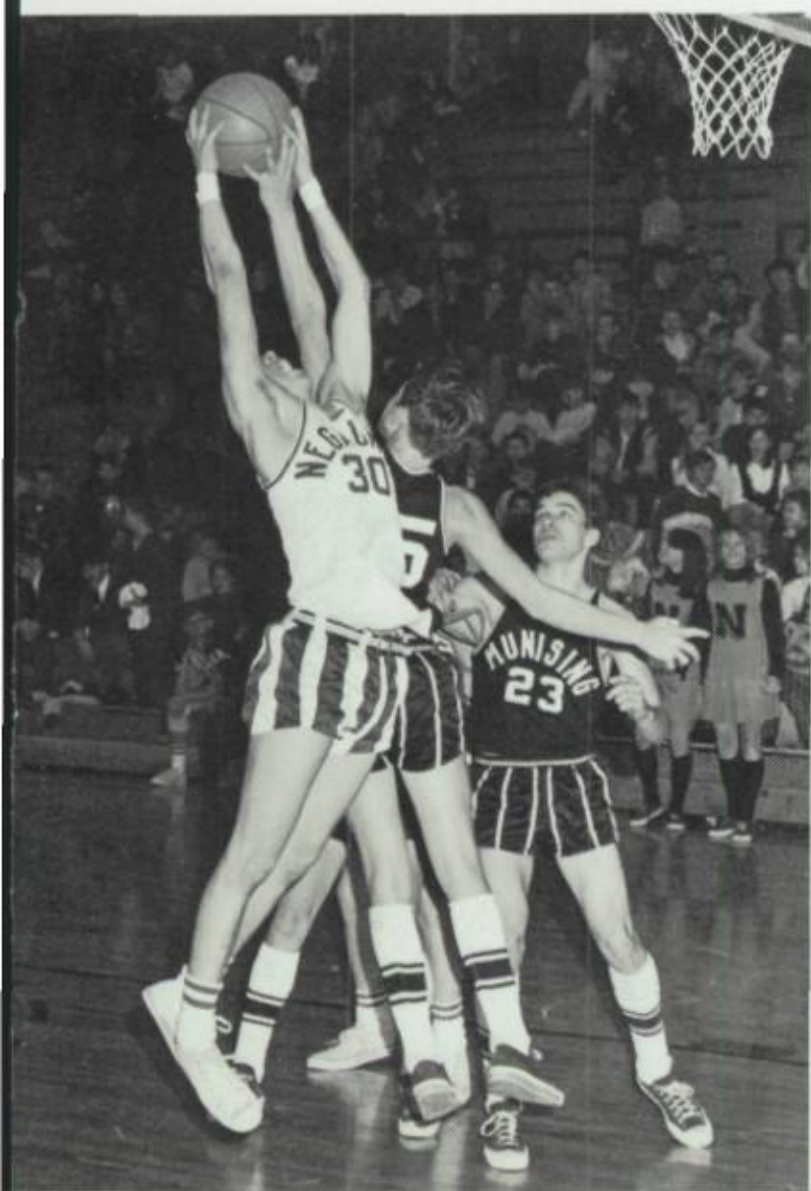

The team got off to a slow start, but after the holidays things were different. All the hustle and practice improvement paid off. The second half of the season proved to be a successful one with a winning record. Norman Goethe was one of the League's top scorers after a slow start. Norman averaged over 23 points a game. Gratitude to Coach Hallgren for an excellent job of developing the team so well. Basketball fans enjoyed a most interesting season!

Because of a tremendous desire to win and to learn, this team has gained the respect of their opponents with their determination and hustle. They have developed in experience and have proven to themselves, to me, and the fans that they are winners. They will surely be heard from in the near future.

In appreciation,
Coach Niemi

UNBEATEN!

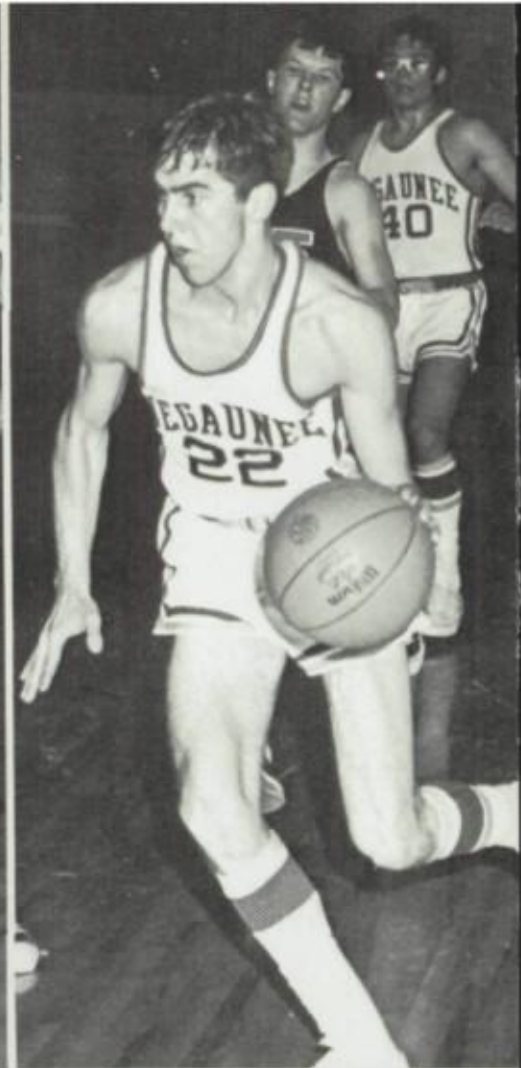

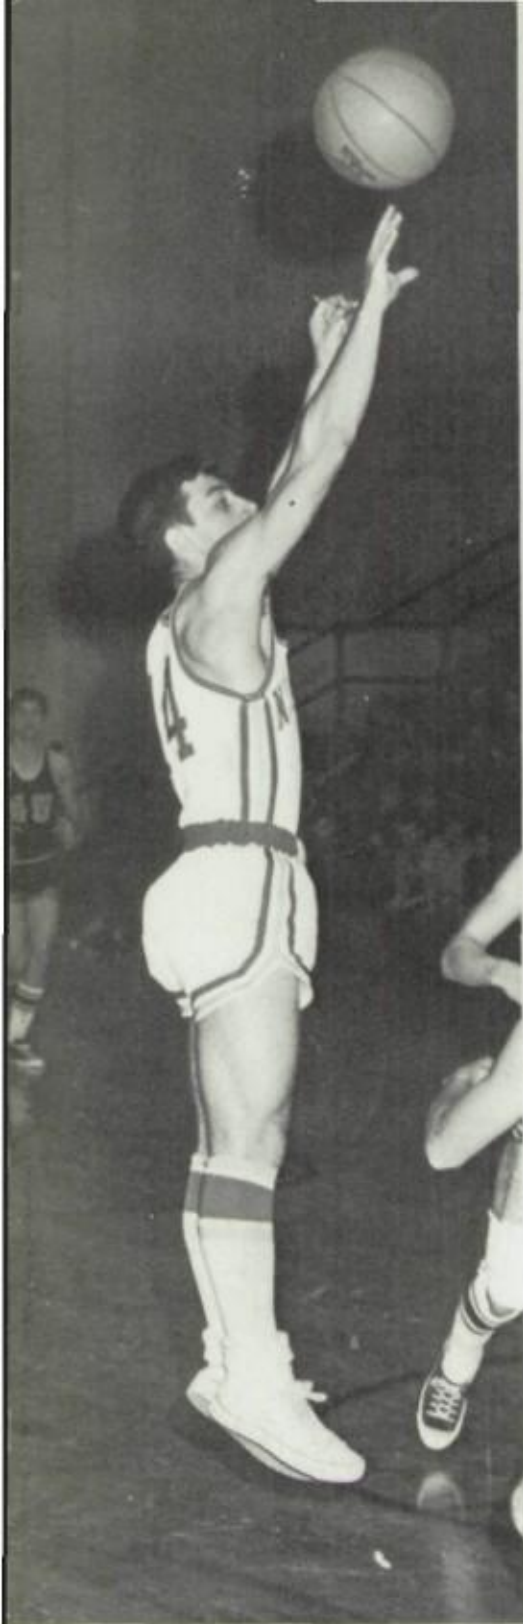

The PIONEER regrets that adequate pictures were not available showing these three fine teams in action.

Negaunee is proud of their achievements, and the coaches expressed their pleasure knowing that the boys have a healthy, winning attitude. We think the future will continue to have great things in store for NHS!

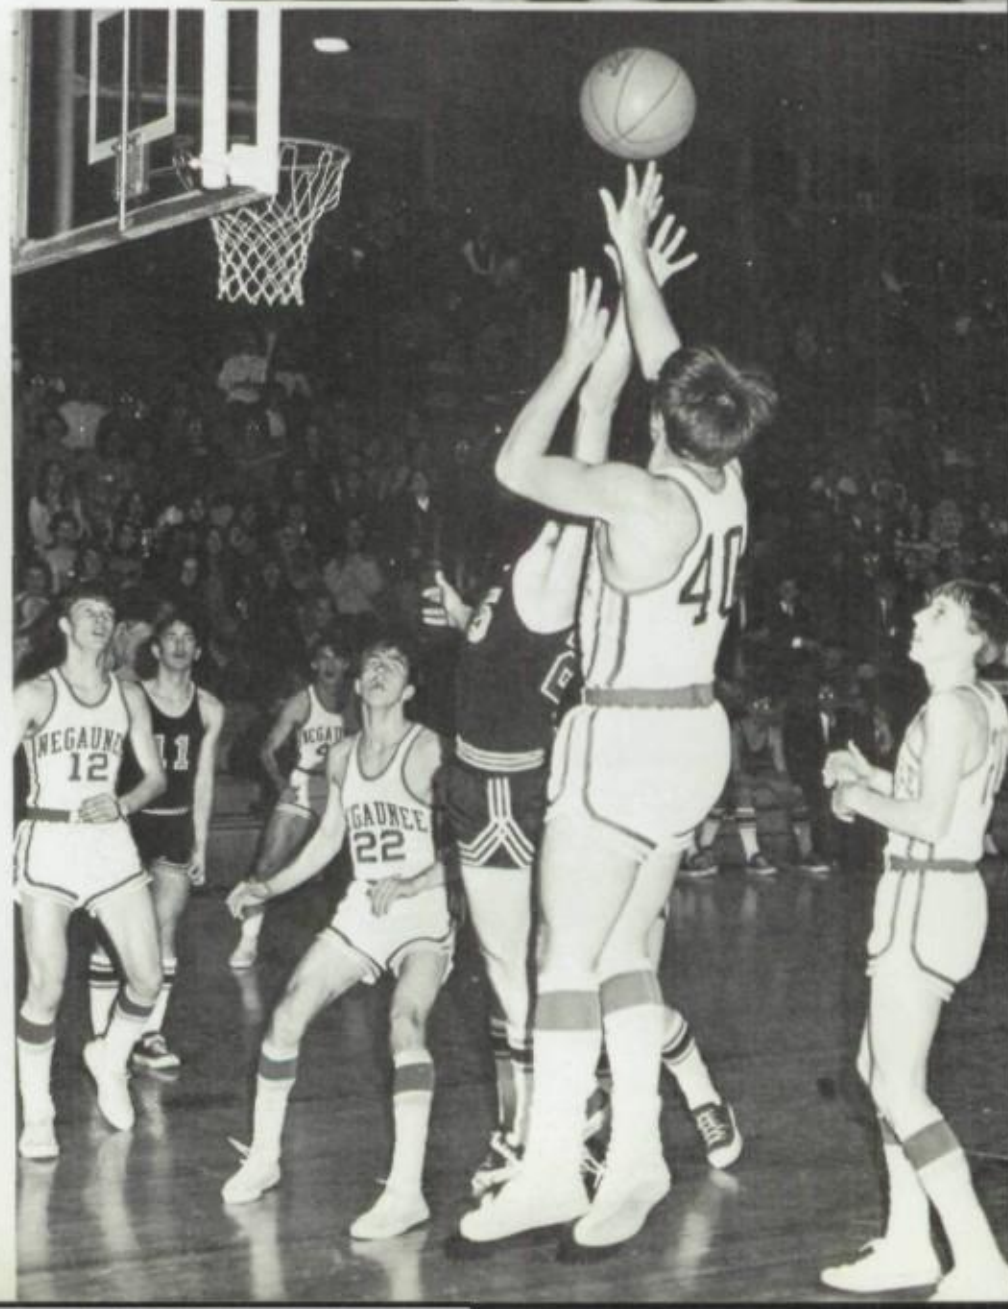

Varsity in action . . . Freshmen and Jr. High can look forward to this SOON!

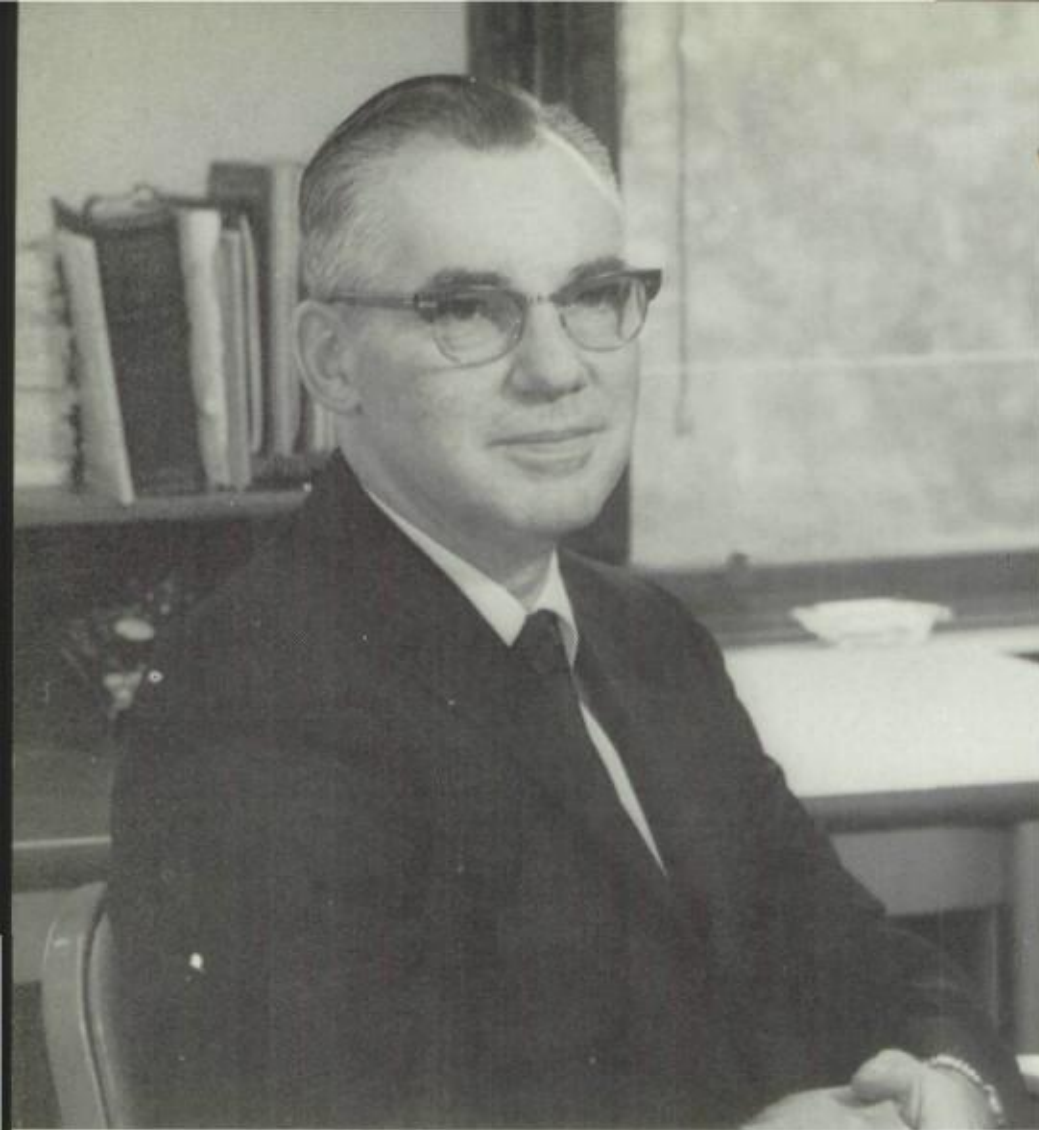

These Varsity action shots depict the hustle that the Miners had all season long. It all paid off as they concluded the season with a flurry of winning basketball.

ADMINISTRATION

"The Negaunee Public Schools are expected to discover and cultivate the talents and capabilities of each student and to assist in his growth to be a mature, creative and productive adult. It is our job to produce rational, responsible and effective citizens."

Robert E. Northey, Superintendent

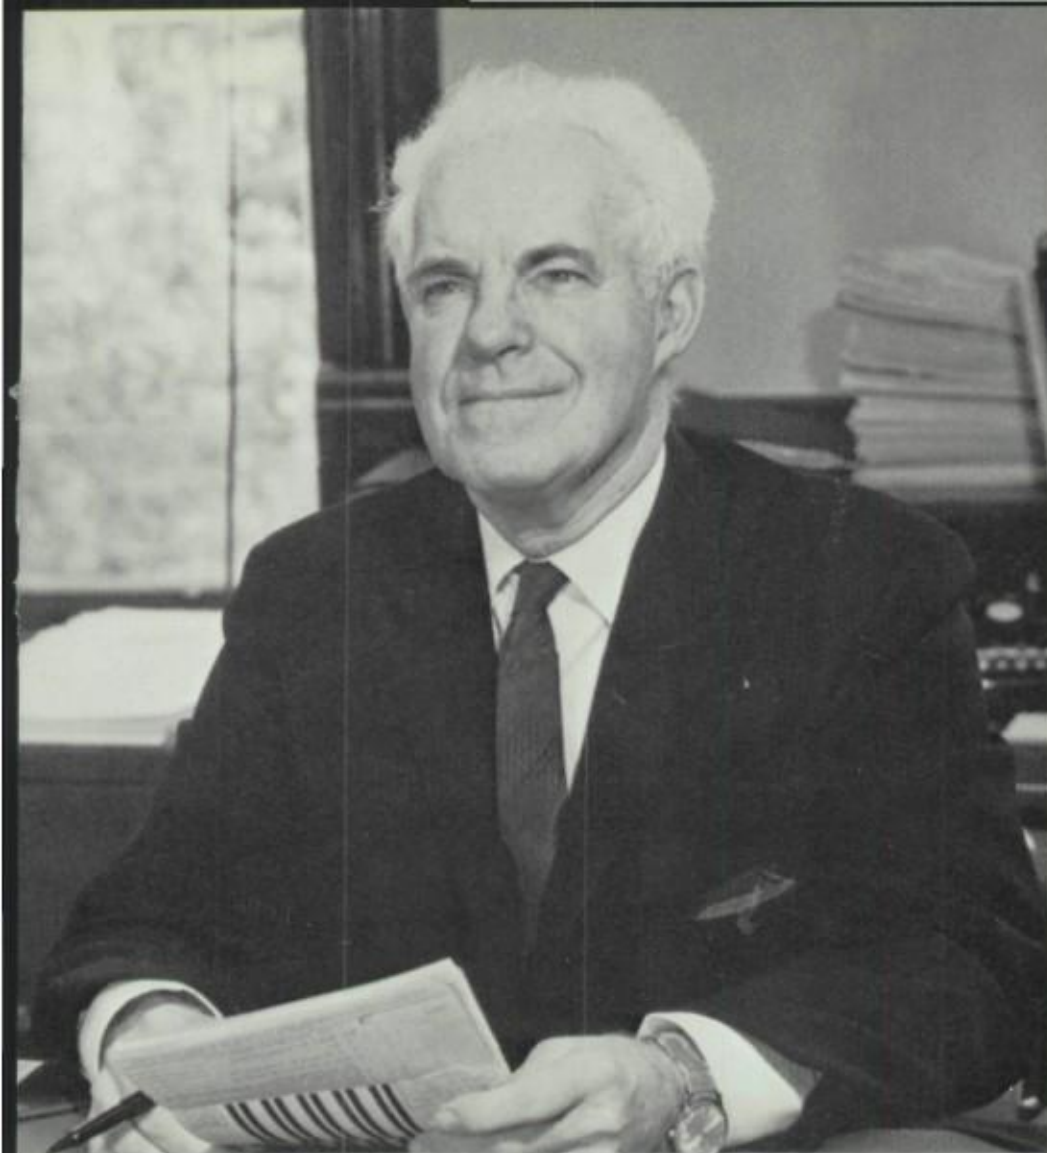

"I extend thanks to the students of Negaunee High School to their excellent cooperation during my first year as principal. Our students have clearly shown that they have the qualities that one needs to succeed."

Editor Peggy Hill looks over Senior Editor Sherry Kuivinen's shoulder as they check over the senior section in the 1969 Pioneer.

A busy staff at work.

The above pictures show Peggy Hill, our 1969 Pioneer Editor, in her usual routine in the yearbook office. An efficient worker, leader and organizer, Peggy has spent countless hours getting the yearbook ready for publication. Through it all she kept the smile on her face as you can see. Peggy deserves our congratulations for a job well done.

Swen Nurkala
Pioneer Advisor

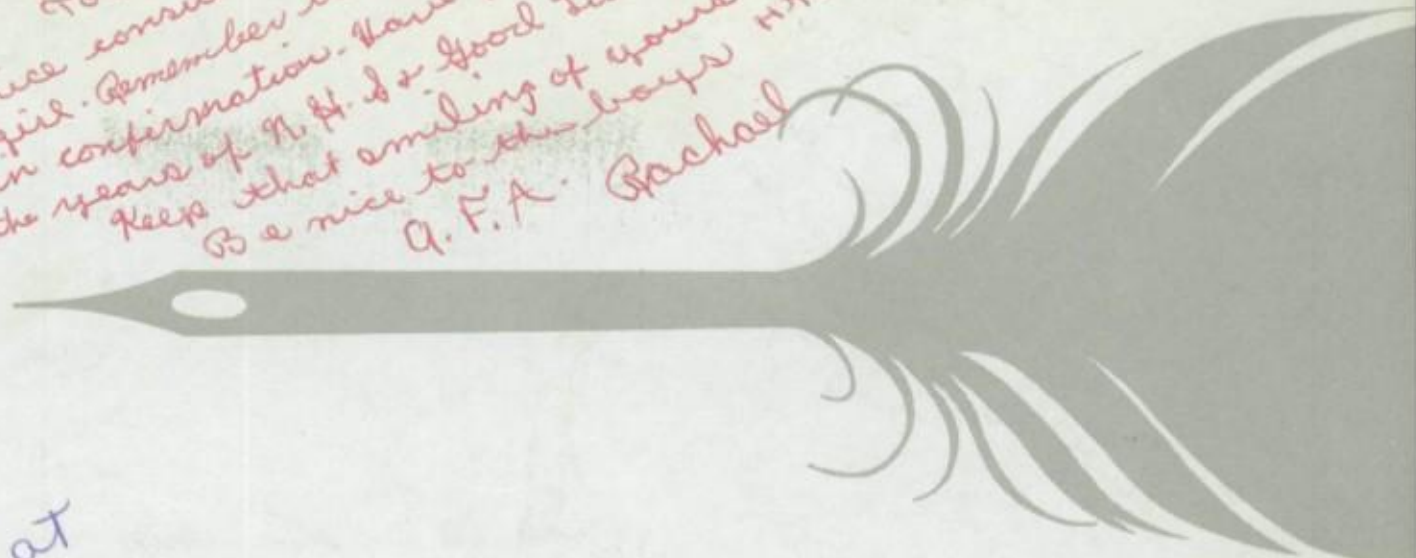

Business Manager Lynne Sager is checking over her bookkeeping. She also finds time for creative activities.

You, you're a
 sweet girl. And ya
 should always stay
 that way. Always stay
 all the stuff we did together (on
 that was a lot) I'll always remember
 you and ya better had not forget me!
 We did a lot of dumb stuff together in the
 last 2,400,902,831,071 years and consider ya a
 good friend (most of the time). It's funny how our friendship lasted
 this long because we were hardly in the same classes to-
 gether. But may be we stay together because we were made
 for each other (in other words are both a little off).
 ta-gether. Have lots of luck in the future years at old N.H.S and after. And
 remember if ya ever need me for some thing just yell; I'll come a running.
 Hears wishing ya the best of luck. In keep you're happy smiles
